Hello Steve,

I wanted to let you know that I've been writing up my religious exemption based on my sincere beliefs against receiving the Covid-19 vaccination, and have also been in contact with a church I am affiliated with so that you may have official documentation, to which I will also attach the official Hamilton College exemption form. The document (with raised seal) is being mailed to me and will be arriving this Monday (See attached for verification).

I would ideally like to present this to you on campus Monday afternoon in person, but want to make sure it is OK for me to drop it off to you (if I am masked). If not allowed on campus due to being unvaccinated, I could scan and mail you the document with the seal, and then mail you the physical copy.

Please let me know what works best.

Thank you,

Vanessa Colangelo
